It is time to make a robot!

**Materials Needed:**
- Activity schedule
- Juice Box
- Glue
- Tape
- Fun Size Starburst Candy
- Box of Nerds Candy
- Googly Eyes

**Directions for Grown-ups:**
1. Print out schedule on pg. 2 and laminate for a check-off schedule. Or, print off page 3 for a list schedule. (With or without image support)
2. Help with fine motor skills, if needed.
3. Have fun!
Time to Make a Juice Box Robot

1. Get a juice box
2. Tape one end of Starburst packet to each side for arms
3. Glue googly eyes on a box of Nerds
4. Glue box of Nerds on top of juice box
5. Enjoy!
Time to Make a Juice Box Robot

1. Get a juice box.

2. Tape one end of Starburst packet to each side for arms.

3. Glue 2 googly eyes on a box of Nerds.

4. Glue box of Nerds on top of juice box.
