**Marble Painting**

It is time to make a marble painting!

**Materials Needed:**

- Activity schedule (see p. 2)
- Red, blue, and yellow paint
- A cooking dish/tray with tall sides
- Paper
- Scissors to cut paper down to size
- Cup for holding used marbles
- Marbles
- Tape to hold down paper
- Spoons
- Optional: Adhesive Velcro
- Laminator
- Marker/pencil for check-off

**Directions for Grown-ups:**

1. Print out the type of schedule you prefer to use. Print, laminate and cut out the steps on pages 4-5 and place on a velcroed board for pull-off schedules. Or print and laminate pages 2 or 3 for check-off schedules.

   For more information, see How-To Template: Schedules (HANDSinAutism.iupui.edu)

2. Prepare by cutting a piece of paper the size of your tray, and sticking it to the bottom with some tape.

3. Help with fine motor skills, if needed.

4. Have fun!
